622.8 acres | GA Hwy 83 N | Jasper County, GA | 31064

One of the nicest large tracts east of Atlanta in a great county with excellent hunting. It has mature, well-managed pine timber, gorgeous hardwoods, foodplots, a 9-acre lake, and two large creeks that transect the property. The farm has been managed intensively for wildlife and timber and which has resulted in a breathtaking property full of trophy whitetail and turkeys. It consists of almost 250 acres of 30-year-old loblolly sawtimber, 160 acres of 21-year-old loblolly, and 183 acres of pristine hardwoods with gorgeous mature oaks.
