If an assessment is not paid on the date when due as hereinabove provided, then such assessment, together with any interest thereon and any cost of collection, including attorney fees as hereinafter provided, shall be a charge and continuing lien on the respective lot to which it relates and shall bind such property in the hands of the owner, his heirs, legal representatives, successors, and assigns for payment thereof. The personal obligation of the then owner to pay such assessment and related costs shall remain his personal obligation and if his successor in title assumes this personal obligation, such prior owner shall nevertheless remain as fully obligated as before to pay the Developer or its assignee any and all amounts which said lot owner was obligated to pay immediately preceding the transfer of title thereto; and such prior lot owner and his successor in title who may assume such liability shall be jointly and severally liable with

respect thereto, notwithstanding any agreement between such lot owner and his successor in title creating the relationship of principal and surety as between themselves other than one by virtue of which such prior lot owner and his successor in title would be jointly and severally liable to make any lot assessment payment.

Any such assessment not paid by the 15th day of March as herein set forth within which such assessment is due, shall bear interest at the rate of eight (8%) percent per annum from such date (delinquency date) and shall be payable in addition to the basic assessment amount then due and payable.

The Developer or its assigns, including the Association, may institute legal action against any owner personally obligated to pay any assessment or foreclose its lien against any lot to which it relates or pursue either such course at the same time or successively. In such event the Developer or its assigns, including the Association, shall be entitled to recover attorney's fees actually incurred but not exceeding fifteen (15%) percent of the amount of the delinquent assessment and any and all other costs of collection, including, but not limited to, court costs.

By the acceptance by owner of a deed or other conveyance for a lot in the subdivision, vests the Developer or its assigns, including the Association as herein provided, the right and power to institute all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in appropriate proceeding at law or in equity.

The Developer and its assigns, including the Association as herein

provided, shall have the power to bid on any lot at any foreclosure sale and to require, hold, lease, mortgage, and convey any lot purchased in connection therewith.

No owner shall be relieved from liability from any assessment provided for herein by abandonment of his lot or lots.

SECTION SEVEN

Subordination of the Charges and Liens to Mortgages Secured by Promissory Notes. The lien and permanent charge for the annual and any special assessment together with interest thereon and any costs of collection) authorized herein with respect to any lot is hereby made subordinate to the lien of any mortgage placed on any lot if, but only if, all assessments with respect to any such lot having a due date on or prior to the date of such deed of trust is filed for record have been paid in full. The lien and permanent charge hereby subordinated is only such lien and charge as relates to assessments authorized hereunder having a due date subsequent to the date such lien of mortgage is filed for record prior to the satisfaction, cancellation or foreclosure of such lien of deed of trust or sale or transfer of any mortgaged lot pursuant to any proceeding in lieu of foreclosure or the sale under power contained in any deed of trust.

- (a) Such subordination procedure is merely a subordination and not to relieve any lot owner of the mortgaged property of his personal obligation to pay all assessments coming due at a time when he is a lot owner; shall not relieve such property from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished as a result of such subordination or against the beneficiary of the lien of a deed of trust or his assignees or transferee by foreclosure or by sale or transfer in any proceeding in lieu of foreclosure or by power of sale); and no sale or transfer for such property to the beneficiary of the lien of any deed of trust or to any other person

pursuant to a foreclosures sale, or pursuant to any other proceeding in lieu of foreclosure, or pursuant to a sale under power, shall relieve any existing or previous owner of such lot of any personal obligation, or relieve any subsequent lot owner from liability for any assessment coming due after such sale or transfer of title to a subdivision lot.

- (b) Notwithstanding the foregoing provision, the Developer or its assigns, including the Association as herein provided may, in writing at any time, whether before or after any lien of deed of trust is placed upon a subdivision lot, waive, relinquish or quitclaim in whole or in part the right of Developer or its assigns, including the Association as herein provided, to any assessment provided for hereunder with respect to such lot coming due during the period while such property is or may be held by any beneficiary of the lien of any deed of trust pursuant to the said sale or transfer.

SECTION EIGHT

Exempt Property. Each lot shall be exempt from the assessments created hereunder until the execution and delivery of a deed from the Developer, its successors and/or assigns in interest to an owner making the lot conveyed subject to these Declarations.

ARTICLE VIII.

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Development Objectives. The aesthetic and ecological quality of the Properties requires that all improvements be compatible with other Improvements and be in harmony with the natural surroundings. To this end, an Architectural Control Committee (sometimes hereinafter called "the Committee") has been created as described in Section 2 of this Article. The Architectural Control Committee has the responsibility to carry out the goals and functions that have been adopted, and are described below, and which may be

amended from time to time.

Section 2. Architectural Control Committee. The Architectural Control Committee shall be composed of three members selected and appointed by the Board of Directors of CANYONS Homeowners Association and may include members of such Board. The Board of Directors shall have the exclusive right and power at any time, and from time to time, to create and fill vacancies on the Architectural Control Committee. The Committee reserves the right from time to time to file instruments in the Real Property Records of Gillespie Counties, Texas designating its then current composition.

Section 3. Goal of Architectural Control Committee. The goal of the Committee is to encourage the construction of improvements of good architectural design, quality and proper size. Improvements should be planned and designed with particular attention to the design and aesthetic appearance of the exterior and the use of such materials as will, in the judgment of the Committee, create an attractive and harmonious blend with existing Dwellings and the natural surroundings. The Committee may disapprove the construction or design of an improvement on purely aesthetic grounds where, in its judgment, such disapproval is required to protect the continuity of design or values of the neighborhood and of other homeowners, or to preserve the serenity and natural

beauty of any surroundings. Prior judgments regarding such matters of design or aesthetics shall not be deemed binding upon the Architectural Control Committee if such Committee feels that the repetition of such matters will have an adverse effect on the properties.

Section 4. Function of the Architectural Control Committee. The Committee shall function as the representative of the owners for the purposes herein set forth as well as for all purposes consistent with the creation and preservation of a first class development. No improvement, as that term is defined in Article I of this Declaration, shall be erected, constructed, placed, altered (either by addition or deletion), maintained or permitted to remain on any portion of The Properties until plans and specifications, in such form and detail as the Committee may deem necessary, shall have been submitted to and approved in writing by such Committee. The Architectural Control Committee shall have the power to employ professional consultants and professional home owners management firms to assist it in discharging its duties. The decision of the Architectural Control Committee shall be final, conclusive, and binding upon the applicant.

Section 5. Procedures of the Architectural Control Committee. The Committee may establish and publish from time to time reasonable administrative procedures and separate

building guidelines covering residential and non-residential Improvements.

Section 6. Indemnity. The Association shall at all times indemnify and hold the committee and the committee members harmless from any and all liability associated with any and all claims or damages of every kind arising out of the actions, or omissions to act, of the committee and/or its members. The committee and its members shall be shown as an additional insured on the Association's general liability insurance policy.

ARTICLE IX.

SUBMITTAL AND APPROVAL PROCESS

Section 1. Design Submittal. The Owner must submit a design plan, which must adequately reflect to the Committee the true design quality of the proposed work. Final plans and specifications shall be submitted in complete form in duplicate and shall include a floor plan and all elevations of any proposed structure(s) and improvement(s) (including fences, walls, sign, pools, pool buildings, driveway design, motor courts, etc.), roof height, specification of materials, colors, textures and shapes. All measurements and dimensions, both interior and exterior, must be shown. (1/4"-1' minimum) Description of materials and finishes must be clearly indicated. The design plan shall include a plat of

the owner's lot which shall specify the location of the improvements upon the lot.

Section 2. Basis of Approval. Approval of preliminary design plans and final plans and specifications shall be based upon the following:

- (a) The architectural and structural integrity of the design.
- (b) Harmony and conformity of the design with the surroundings both natural and built.
- (c) Adequacy of the design to conditions of the site.
- (d) Relation of finished grades and elevations to neighboring sites.
- (e) Conformity to specific and general intent of the Protective Covenants covering the subdivision of which the Lot in question forms a part.
- (f) Relation of improvements to improvements on neighboring sites.
- (g) Protecting the view from lots whose location provides distant views.
- (h) Central and elevated location of dwellings upon each lot.
- (i) Preliminary plans shall be submitted and approved by the Committee prior to proceeding with final plans and specifications. The preliminary plans shall include a section depicting the finished floor elevation relative to existing and finished grades within 10 feet beyond the front, side, and the

back of the residence.

Section 3. Variances. Upon submission of a written request for same, the Architectural Control Committee may, from time to time, in its sole discretion, permit Owners to construct, erect, or install Improvements which are in variance from the covenants, restrictions, or architectural standards and setbacks which are provided in this Declaration or the applicable Protective Covenants or those which may be promulgated in the future. In any case, however, such variances must, in the Committee's sole discretion, blend effectively with the general architectural style and design of the community and must not detrimentally affect the integrity of The Properties nor harmony with the natural surroundings. No member of the Committee shall be liable to any owner for claims, causes of action or damages arising out of the grant of any variance to an Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a variance to any Owner shall not constitute a waiver of the Committee's right to strictly enforce the Covenants, Restrictions and architectural standards provided hereunder, against any other owner.

Section 4. Issuance of a Building Permit. Upon approval of final submittals, a building permit will be issued and

construction may begin. All such permits must be prominently displayed at the job site and covered with clear plastic to prevent weathering. The issuance and acceptance of the building permit assures that:

(a) Construction of an approved improvement will be completed within nine months from start of construction.

(b) Construction will be in accordance with approved plans.

(c) Any exterior changes after final approval of plans by the Architectural Control Committee must be approved in writing by the Committee prior to Construction of those changes.

(d) Regular inspections may be made by a representative of the Committee.

Section 5. Failure of the Committee to Act. If the Architectural Control Committee fails to approve or to disapprove either the preliminary design plans or the final plans and specifications or to reject them as being inadequate within thirty (30) days after submittal thereof, it shall be conclusively presumed that such Committee has approved such preliminary design plan or such final plans and specifications. If preliminary design plans or final plans and specifications are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the

balance.

Section 6. Limitation of Liability. Neither the Declarant, the Association, the Architectural Control Committee, nor any of the members of such Committee shall be liable in damages or otherwise to anyone submitting plans and specifications for approval or to any owner of land affected by this Declaration by reason of mistake of judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or to disapprove any plans and specifications.

ARTICLE X.

REMEDIES FOR VIOLATIONS, AMENDMENTS
TERMS, AND MISCELLANEOUS PROVISIONS

ENFORCEMENT

These Covenants, Restrictions, Easements, Reservations, Terms, and Conditions shall run with the land and shall be binding on all parties and all persons claiming under them.

Enforcement of these Covenants, Restrictions, Easements, Reservations, Terms, and Conditions may be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain violation or to recover damages. Either the undersigned Developer, or any successor in title to the undersigned Developer, or any owner of any property affected hereby may institute such proceedings.

ARTICLE XI.NONJUDICIAL FORECLOSURE

Section 1. To secure the payment of maintenance assessments and to ensure compliance with the applicable covenants, conditions, restrictions and easements set forth herein, each Owner, upon acceptance of his or her deed to a Lot governed by this Declaration conveys the Lot to the Trustee hereinafter named, in trust, for so long as these covenants, conditions, restrictions and easements shall remain in effect, such conveyance operating as a Special Deed of Trust. If an Owner fails to tender payment of maintenance assessments or reimbursements when due, or if an owner fails to perform any of the Obligations under or maintain any condition required by this Declaration, the Association may perform those obligations, advance whatever funds may be required, and then be reimbursed by the Owner on demand for any sums so advanced, including attorney's fees, plus interest on those sums from the dates of payment at the highest legal rate permitted by law for the Owner. The sum to be reimbursed shall be secured by this Special Deed of Trust.

Section 2. If the Owner fails on demand to reimburse the Association for the sums advanced or for the assessments owed, and such failure continues after the Association gives the owner notice of the failure and the time within which it must be cured, as may be required by law or by written agreement, then the Association, as the Beneficiary of this Special Deed of Trust, may:

- (a) Request the Trustee appointed herein, or his successor,

to foreclose the liens created herein, in which case the Association shall give notice of the foreclosure sale as provided by Section 51.002 et. seq. of the Texas Property Code then in effect or any successor statute thereto; and

(b) Purchase the Lot at any foreclosure sale by offering the highest bid and then have the bid credited to the reimbursement or satisfaction of the outstanding indebtedness owed to the Association.

Section 3. If requested by the Association to foreclose this lien, the Trustee shall:

(a) Either personally or by agent give notice of the foreclosure sale as required by, Section 51.002 et. seq. of the Texas Property Code then in effect or any successor statute thereto;

(b) Sell and convey the Lot to the highest bidder for cash with a general warranty binding the Owner, subject to prior liens and to other exceptions to conveyance and warranty; and

(c) From the proceeds of the sale, pay, in this order:

(1) expenses of foreclosure, including a commission to Trustee of five percent (5%) of the successful bid;

(2) to the Association, the full amount advanced, attorney's fees, and other charges due and unpaid;

(3) any amounts required by law to be paid before payment to the owner; and

(4) to the Owner, any remaining balance.

Section 4. A Trustee is appointed for the purpose of enforcing the covenants, conditions and restrictions imposed by this Declaration, and also for the collection of maintenance assessments. The Association, as Beneficiary, may appoint a Trustee, and substitute or successor trustee, succeeding to all rights and responsibilities of the Trustee by filing an appropriate designation of trustee among the Official Public Records of Gillespie County, Texas.

Section 5. From and after any such foreclosure, the occupants of such Lot shall be required to pay a reasonable rent for the use of such Lot and such occupancy shall constitute a tenancy-at-sufferance. The purchaser at such foreclosure shall be entitled to the appointment of a receiver to collect such rents and, further, shall be entitled to sue for recovery of possession of such Lot by forcible detainer without further notice.

Section 6. It is the intent of the provisions of this Section to comply with the provisions of Texas Property Code Section 51.002 as may be amended hereafter, and, which amendment is applicable hereto. The President of the Association, acting without joinder of any Owner or mortgagee of any owner, may, by amendment to this Declaration filed in the office of the County Clerk of Gillespie County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002.

ARTICLE XII.

AMENDMENT

- a) These Covenants, Restrictions, Easements, Reservations, Terms

and Conditions may be altered, amended, or repealed at any time by filing in the office of the Clerk of Gillespie County, Texas, an instrument setting forth such annulment, amendment or modification, executed by either the Developer or its assigns and/or successors in interest any time during which it owns of record lots in the Development subject to this Declaration or Declarant is an owner of adjacent properties which it intends or has intention to subdivide or, in the alternative, by the owner or owners of record as set forth on the records in the office of the Clerk of Gillespie County, Texas at any time of the filing of such instruments by consent in writing of seventy-five (75%) percent of the owners of lots subject to these restrictions.

b) Notwithstanding anything to the contrary, as long as Declarant retains an ownership interest in the property, Declarant shall have the right at any time, at its sole discretion and without any joinder or consent of any other party, to amend this Declaration for the purposes of correcting any error, ambiguity or inconsistency appearing herein or for any reason whatsoever deemed necessary for the benefit of the overall development as determined by Declarant in the exercise of its sole judgment. Said amendment shall be effective upon filing of the instrument containing such amendment in the office of the County Clerk of Gillespie County, Texas.

ARTICLE XIII.

INVALIDATION

Invalidation of any one of the provisions of this instrument by a Judgment or Order of a court of competent jurisdiction shall in no wise affect the validity of any of the other provisions which shall remain

in full force and effect.

ARTICLE XIV.

DEVELOPER'S OBLIGATION(S)

In this instrument, certain easements and reservations of rights have been made in favor of the undersigned Developer. It is not the intention of the undersigned Developer in making these reservations and easements to create any positive obligations on the undersigned Developer insofar as building or maintaining roads, water systems, sewage systems, furnishing garbage disposal, beginning and prosecuting a lawsuit to enforce the provisions of this instrument, or of removing people, animals, plants, or things that become offensive and violate this instrument. Where a positive obligation is not specifically set forth herein, none shall be interpreted as existing as it relates to the Developer.

ARTICLE XV.

TERM

The provisions of this Declaration shall run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date these Covenants are filed for record at the office of the Clerk of Gillespie County, Texas at which time said Covenants shall be automatically extended for successive periods of ten (10) years unless prior to the beginning of such ten (10) year period an instrument signed by the then owner(s) of seventy-five (75%) percent of lots subject to this Declaration agreeing to terminate, amend, or modify these Restrictions shall have been recorded in the office of the Clerk of Gillespie County, Texas.

ARTICLE XVII.

NOTICES

Any notice required to be sent to any member or owner under the provisions of the Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as a member or owner of record(s) of the Association at the time of such mailing.

ARTICLE XVIII.

ASSIGNMENT

The Developer may assign any and all rights and responsibilities it has under the terms of this Declaration.

ARTICLE XIX.

WAIVER AND LACHES

The obligation to abide by the provisions contained in this Declaration shall be deemed to be of a continuing and continual basis. Each and every day an owner allows a condition to exist on his or her Lot which is not in compliance with the requirements contained herein shall constitute a separate and individual violation hereof, and shall give rise to a new cause of action for

such breach. The intended effect and express purpose of this provision shall be that every owner, by accepting title to a Lot, hereby waives the affirmative defenses of the statute of limitations, waiver and laches with respect to covenant violations. Noncompliant conditions shall be allowed to exist on a Lot only upon the Owner obtaining a written variance in accordance with the applicable provisions herein. Failure of Declarant, the Association, the Committee, or of any Owner to enforce the terms of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XX.

ENFORCEMENT

Declarant, its successors or assigns, the Association, its successors or assigns, or any Owner of any lot in the Subdivision, shall have the right to enforce, by proceedings at law or in equity, these restrictive covenants. Failure of Declarant or the Association to take any action upon any breach or default shall not be deemed a waiver of their right to take action upon any subsequent breach or default. Declarant, for itself, its successors or assigns, reserves the right to enforce these restrictive covenants, though it may have previously sold and conveyed all subdivided lots in the Subdivision controlled by these covenants. The reservation by Declarant or the Association of this right of enforcement shall not create a duty or obligation of any kind to enforce same, and neither Declarant nor the Association shall not be subjected to any claim, demand, or cause of action

from any lot owner by virtue of not enforcing any restrictions herein contained.

The Association shall have the authority to employ self-help to enforce compliance with any provision of the Declaration. Upon the occurrence of a default or other violation of the Declaration, the Association may provide notice to the defaulting owner of the matter of noncompliance, the action necessary to cure the noncompliance, and a date by which the noncompliance shall be cured. In the event the owner fails to cure the matter of noncompliance within the required time, the Association may take action to cure the matter of noncompliance.

Notice of default or other violation of the Declaration and of the Association's intent to act pursuant to this provision shall be in the form and in the manner as required by Article XXXII. In the event of continuing noncompliance, a second notice, at least ten (10) days subsequent to the date of the mailing of the first notice, shall be sent to the noncomplying property owner. Not sooner than thirty-five (35) days after date of the mailing of the original notice, the Association may send notice to the noncomplying property owner of the Association's intent to act to cure the noncomplying condition. Such notice shall be sent by United States Certified Mail, return receipt requested, and shall otherwise conform to Article XXXII of the Declaration. In the event the noncomplying condition continues from and after ten (10) days from the date of the mailing of the Association's intent to act to remedy the noncomplying condition, the Association may

commence actions to remedy the noncomplying condition at the sole expense of the noncomplying property owner. The Association may avail itself of all methods for recovery of funds expended as provided under the Declaration including nonjudicial foreclosure as provided in Article XXVIII, of the Covenants.

ARTICLE XXI.
