AND RESTRICTIONS

THIS DECLARATION, made this 7th day of May, 1973, by KENNETH J. LESSLER and wife, JUDITH T. LESSLER, hereinafter called the DECLARANTS;

WITNESSETH:

THAT WHEREAS, the DECLARANTS are the owners of the real property described in Article I below; and

WHEREAS, DECLARANTS have adopted a uniform scheme for the development of said property in accordance with the purposes as set forth in Article II below;

NOW THEREFORE, DECLARANTS hereby make the following declarations as to limitations, restrictions and uses to which the real property described in Article I may be put, and hereby specify that such declarations shall constitute restrictions and covenants to run with the land, as provided by law, and shall be binding on all parties and all persons claiming under them and shall be for the benefit of and limitation on all future owners and residents of said property, this Declaration of Covenants, Conditions and Restrictions being designed to achieve the purposes set out in Article II below.

ARTICLE I.

The real property subject to this Declaration is described as follows:

Being all that parcel of land lying and being in Center Township, Chatham County, North Carolina, as shown on the plats and survey entitled "HARLANDS CREEK, Center Twp., Chatham Co., N. C." Map No. 1, Map No. 2, and Map No. 3, prepared by William G. Joyner, R.L.S., dated April 30, 1973 and recorded in Plat Book 14, pages 86, 87 and 88, Chatham County Registry, and same being incorporated by reference as if set forth fully herein, for a more particular description; the same being all the land conveyed to Declarants by K. W. Cooper et al by deed recorded in Book 369, page 736, Chatham County Registry.

The above described property is hereinafter referred to as "HARLANDS

CREEK PROPERTY. "

The uniform plan of development requires that certain restrictions be made applicable to the whole of HARLANDS CREEK PROPERTY and that others be made applicable only to certain divisions thereof. All restrictions set out below are made applicable to the whole or divisions thereof as indicated.

The divisions of HARLANDS CREEK PROPERTY are designated as Tract A, Tract B, Tract C and Tract D and are described as follows:

ARTICLE II.

PURPOSES

The restrictions and covenants contained herein are for the purpose of developing a community for safe, healthful and harmonious living in keeping with the uniform plan of development and are in the interest of public health, conservation and sanitation so that HARLANDS CREEK PROPERTY and other land in the same locality may be benefited by a decrease in the hazards of pollution and environmental degradation, by the protection of water supplies, wildlife, natural foliage, and the stability and diversity of natural ecosystems.

ARTICLE III.

RESTRICTIONS APPLICABLE TO ALL TRACTS

All the property described in Article I above and all subdivisions

thereof shall be subject to the following restrictions and covenants:

Section 1: Dwellings and lot sizes

(b) There shall be no more than one dwelling for each five acres of the lot size;

(c) There shall be no more than one "resident" per each two acres of lot size on any one lot; a "resident" is any person who resides or lives on subject property for more than thirty days in any one calendar year;

(d) A "lot" shall mean any parcel of land in single ownership;

(e) A "dwelling" is a building designed for, or used for, human occupancy.

No live trees of more than sixteen inches in diameter at the base of the trunk (at four one-half feet from the ground) shall be cut, except as necessary to clear for drives, roads, houses, or to remove seriously diseased or damaged trees. No live trees, saplings, shrubs or other natural plants shall be cut or removed from any "wooded area" within fifty feet of any property line, except for driveways, roads and utility rights of way, not to exceed a total breach of sixty feet in the border of any lot; provided further that no lot shall be cleared of its natural growth of trees and shrubs in excess of fifty percent of the "wooded area" on any lot; SUBJECT HOWEVER, to the following definitions and exceptions:

(a) The clearing and removal of poisonous plants, seriously diseased or damaged vegetation, and vines which damage tree growth (including, but not by way of limitation, "kudzu") is specifically allowed.

(b) "Wooded area" includes all of subject property except those areas which have been cultivated or maintained as yards or open fields at any time since January 1, 1955 and prior to the signing of this Declaration.

(c) The clearing of road and utility rights of way presently existing on subject property or which may be reserved or hereafter reserved by Declarants is hereby specifically allowed and exempted from any provisions of this section to the contrary.

No firearms, except shotguns using shot, shall be discharged on this land. No deer or bear shall be hunted or killed on this land. Provided that nothing in this paragraph is to exclude the otherwise legal hunting of game birds and other small game animals with shotguns in season.

No septic lines are to be constructed or maintained in flood plains, or within one hundred feet of any surface water or well.

Section 11: Siltation Control

The soil shall not be disturbed within twenty-five feet of any spring, branch, creek or other natural surface water, except for the following purposes:
